▶ LEVIATHAN MINI

MarineNav Ltd's Leviathan Mini Marine Computer has been designed through direct feedback from our clients to provide a true marine-grade computer system in a small, compact form. Perfect for law enforcement, search and rescue, and other Fast Rescue Crafts (FRC) which are often challenged for space, the Leviathan Mini is capable of running vessel monitoring software, 2D and 3D navigation, vessel monitoring and multimedia software.

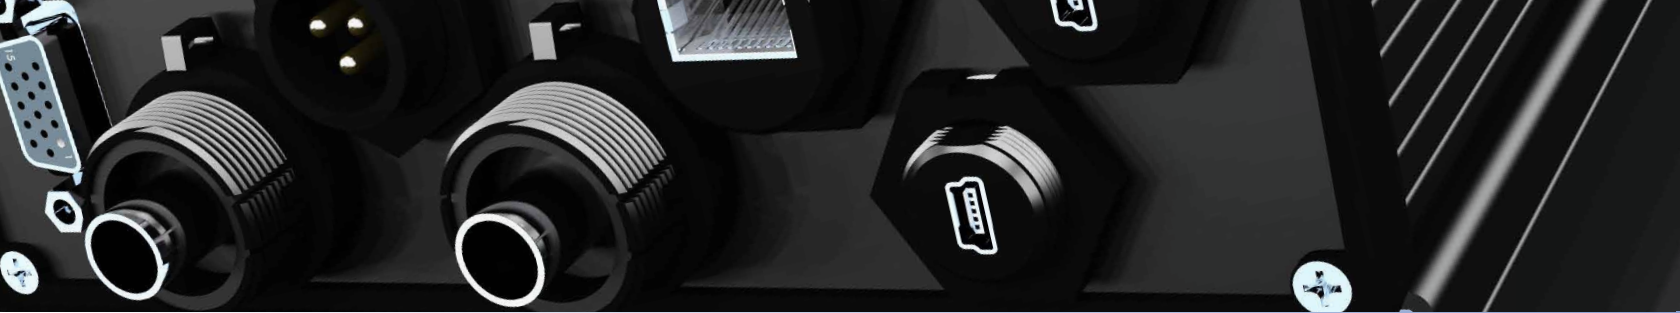

Features include vibration dampening and anti-shock technology and marine grade powder coating to protect from salt and UV – ensuring that your system will last for years to come.

▶ FEATURES

- *Super-compact footprint*
- *120 GB SSD, upgradeable*
- *Optional full IP65 water-proof rating*
- *Anti-shock and anti-vibration design*
- *Can operate dual independent screens*
- *Integrated Wi-Fi and GPS options available*
